

EXPERIENCE

WEBSITE DESIGNER

*Freelance; Melbourne, Australia**2005-present*

Working for myself and friends, freelancing has been mostly an exercise to hone my web designing skills, which have improved considerably since I began.

VIDEO EDITOR

*Brighton Grammar School; Melbourne, Australia**2005, 2008*

I was asked to edit together two videos during my time at Brighton Grammar, one promoting the school for an interschool conference of principals, hosted at Brighton Grammar. The other, reflecting on notable alumni of the school who have made significant achievements in the sporting world for the school's 126th Founding Anniversary.

VIDEO EDITOR

*Lifestyle Video Productions; Melbourne, Australia**2005*

Hired as a casual editor, my task was to edit a wedding movie from the footage shot by John Morton of Lifestyle Video Productions.
